Dear Sir/Madam

**Re: Confirmation of Annual Donation Receipt**

On behalf of Save the Rhino Trust Namibia, I am writing to express our sincerest gratitude for the generous annual donation of \$15,000 received from the SwissAfrican Foundation on April 12, 2024.

Your continued support and commitment to our cause have a profound impact on our ability to fulfill our mission and serve the local communities. With your contribution, we can ensure boots on the ground to protect the free-roaming rhinos in North-west Namibia. Your donation will directly contribute to the increasing fuel and ration needs which are the most crucial components of our operations.

Accept our appreciation for the partnership and collaboration we have shared over the years. We look forward to continuing our partnership and making a lasting impact together.

Thank you for your generosity and confidence in our efforts.

Sincerely
